Dear Cast,

Thank you for such an incredible audition process! Please note that if you were cast as a featured character you are also part of the amazing ensemble. We realize that a lot of emotions can surface when a cast list is posted. Please feel all of your feels and refrain from reaching out to the production staff until Monday morning. After that time if you still have questions, feel free to reach out. This is going to be a magical show and that is because all of you are in it.

First read-thru will be Monday August 26th at 2:30 in the black box theatre followed by a parent meeting at 5:30 also in the black box. If your parents cannot attend, please stay for the meeting so you can give them the information they need to assist you in succeeding in this experience. Remember, you are loved forever and always.

Sparklejollytwinklejingley,

Ms. Timpson, Mr. Broschinsky, Mr. Hunt.
