- *After rating each play on their performance, you are then asked to rank the plays 1-5. If there are more than 5 performances, rank all remaining plays 5<sup>th</sup>.*
  - *There is no limit to the number of overall S ratings you may give in each round.*
- *A judge's final rating (S, E, G, F) must align mathematically with the number of boxes checked in the subcategories. For example, if a judge gives 7 Ss and 3Es in the subcategories, the final ranking for this piece MUST be an S.*
- *Judges are NOT allowed to rank any piece higher than another piece that received a higher rating. For example, if a judge gives one piece an overall S rating, and another piece an overall E rating, he/she cannot rank the second piece higher than the first.*

**PLEASE give feedback. This is the most important part of the process. You need to justify your scores. Explain why you rated and ranked the students as you did. Your feedback can be given on the back of this form.**

*If you feel that a play has not followed the rules and therefore should be deemed ineligible, please score the play as you normally would. As soon as the plays are over, you should let the region representative know of the violation.*
